**SERVICES & SOLUTIONS**

- Construction Observation
- Foundation Inspection
- Building Inspection

## **ALL STOR SELF-STORAGE FACILITIES**

**WASHINGTON COUNTY, WI**

M Squared Engineering (**M<sup>2</sup>**) provided construction observation and inspection for the building of three facilities at this site. Following initial plan review, inspections were conducted at these critical points:

- Welded Wire Mesh (WWM) Placement
- Slab/Foundation Forming
- Anchor Bolt Layout
- Expansion Joints
- Contraction Joints
- Dowel Placement
- Cast in Place Foundation
- 10% of Building Erection Complete
- 70% Completion
- Final Walkthrough
- File Inspection with Department of Commerce

**M SQUARED ENGINEERING, LLC**
